OFFICE OF LEGISLATIVE COUNSEL

Friday - 14 June 1965

25X1 1. [] At his request, a copy of our House notes on the budget presentation was hand carried to Chairman Cannon at his private office.

25X1 2. [] Talked further with Representative John Brademas concerning our interest in briefing Representative Pucinski's Subcommittee of the House Space Committee in connection with their upcoming trip to the Soviet Union. Brademas said he had mentioned our interest to Pucinski and suggested that we contact Pucinski directly. The date of the trip has been postponed and Brademas was not sure at the moment as to just when it would be scheduled.

25X1 25X1A 3. [] In response to a call to Colonel Orogan, advised [] in the office of Representative Wilbur Mills, that the [] was not available for distribution outside the Washington area. Also advised her that she might care to contact the Exchange and Gift Division of the Library of Congress, or Mr. Don Stiggers of State Department, to see if their constituent, president of a small college, could qualify under any of these two divisions.

25X1 4. [] Provided to Sam Scott, Senate Internal Security Subcommittee staff, a blind memo on the nature of Communist membership and other recent archives captured World War II German documents.
